

# PINAR KAZAK

A Graphic Designer with versatile qualities and a passion for visual problem solving. Pinar is a great leader and a great collaborator, as she values communication and is direct. She is able to deliver efficient visual results and is strong in developing concepts. She is a quick learner and has proficiency over many skills and tools, which make her adaptable as a designer. She is mainly interested in Digital Design, however is able to deliver successfully and efficiently in other areas as well. She is now looking for a long-term internship to gain experience in the field, before she graduates a four year bachelors degree.
